

# PRODIMAX

INSULATION & THERMAL SERVICES

ISO 9001:2008

**FIRE RESISTANT**

## PRODIMAX MANWAY COVERS

Quickly and easily  
seals drain and  
sewer openings  
during hot work

Easy to carry:  
Folds in two  
suitcase-style  
with handles

### The most cost effective, reusable manway cover to date:

- Fabric will not burn, the coating doesn't support flame and is self extinguishing
- Not affected by plasma, torch or arc welding, cutting or brazing
- Solvent resistant coating prevents liquid absorption
- Fabric material tested up to 2500°F / 1370°C against molten metal droplets
- Soft and flexible, to better fit irregularities

[prodimax.ca](http://prodimax.ca)

- Made with extreme temperature resistant fabric
- Sand filled, stays in place
- Can be re-used multiple times
- Easy to store on racks
- Custom sizes available
- Certified ISO 9001:2008
